Dr. Yi,

We understand that paper copies of the post-trial briefs in the Trustees of Purdue University v STMICROELECTRONICS case, and a USB drive containing an electronic copy of the briefs and exhibits, that you requested in your November 12 e-mail, have now been delivered. In your role as technical advisor, could you please identify the technical issues that you have been asked to assist with for the various post-trial motions? We are available to answer any questions you may have on these specific issues or the technical record of evidence in the case.

Counsel,

I will be helping the Court with some of the post-trial motions. For all pending post-trial motions, can you send me (1) a paper copy of the briefs and (2) an electronic copy of the briefs and exhibits

on a USB drive to the address below? Thanks!

-Josh
